In 725,708 minutes — on September 25 — world leaders will gather at the United Nations to set a new route forward for non-communicable diseases.

Every one of those minutes, 30 people will suffer a stroke.

Every one of those minutes is also a chance to act:

- 👤 To raise your voice.
- 🛑 Make people stop and listen.
- ⚡ To call for stroke action NOW.

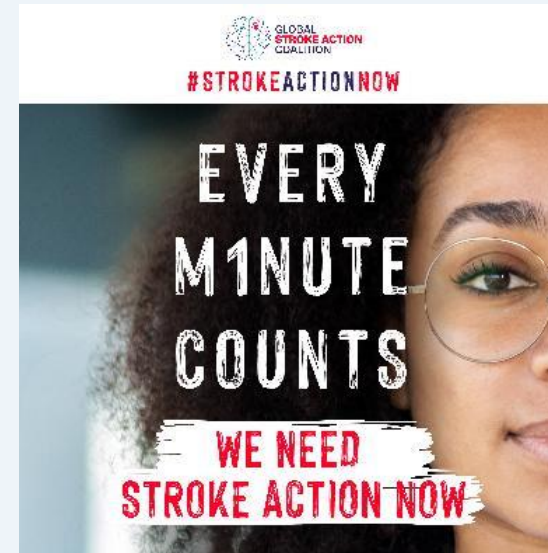

Stroke is a leading cause of death and disability.
It doesn't have to be.
