Moments to drive real change are rare.

This is one of them.

On 25 September, world leaders will come together to set a new way forward to control and manage noncommunicable diseases.

YOU can help make sure that stroke is on the agenda.

Every year, 12 million people will experience a stroke.
15% will be under the age of 50.

Your support can help make sure that stroke prevention, treatment and care are available to each and every one of them 🙌🙌🙌

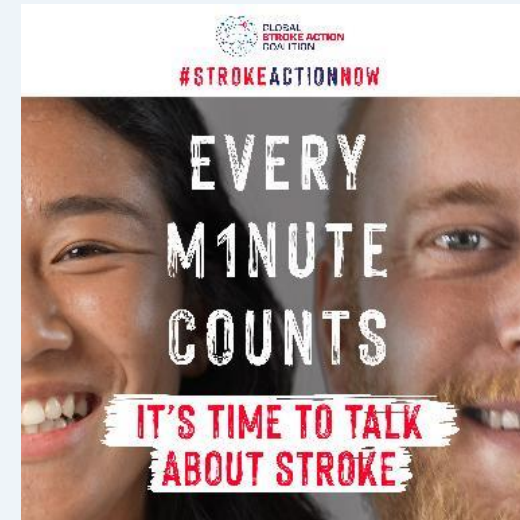

It couldn't be easier.

📄 Sign our Letter of Support today and share it with your family and friends.

When it comes to stroke, every minute counts.

Moments to drive change are rare. This is one of them.

12M people have a stroke each year - stroke can affect anyone. With world leaders meeting on Sept 25 to tackle NCDs, stroke must be on the agenda.
